**TRAVEL PASSION INC.**  
A PASSION FOR TRAVEL

Dear Friends:

This is an opportunity for you to consider a trip of a lifetime – a visit to India and a ten-day stay at the Sat Tal Christian Ashram founded by missionary evangelist, E. Stanley Jones nearly 90 years ago. As Jones worked to indigenize Christianity in India, he established the Christian Ashram movement, modeled on his experiences in Gandhi and Tagore's ashrams. Jones believed that the Christian faith, as a universal faith, benefits from using indigenous forms to express its message. Jones described the Ashram as a kind of forest school for learning, meditation and prayer and he intended that the Ashram would be a group fellowship focused on Jesus, and that it would operate as a miniature Kingdom of God. Details of the daily Sat Tal Ashram program will be forthcoming.

The setting of Sat Tal Ashram (see pictures below) is in a several hundred-acre pine forest with lakes and at an altitude of about 4000 feet. The lodging is comfortable, somewhat spartan and beautifully Indian. The daily meals are nutritious and simple. Hiking trails abound and you may well be accompanied by monkeys! Day trips to nearby "hill stations" where you may be able to see the Himalayan snows will also be offered.

To take advantage of 'off season' tourist rates, we will explore some of the great historic sites of the country including the Taj Mahal, Corbett Animal refuge, Jaipur, and innovative educational and cultural programs **before** we go to the Sat Tal Ashram. The proposed itinerary is attached. We will be accompanied by our Travel Passion guides, who provided us exceptional services on our 2015 trip to Sat Tal and beyond.

India is a land of great variety, contrasts, color and movement. Everywhere one turns there is new interest and excitement. This will be an opportunity to see its powerful emerging economy and reassuring to see the world's largest democracy at work.

We call this a missional tour. For example, we will see the fruits of evangelism over the past 200 + years. Moreover, the Church in contemporary India plays an important role and we will see how the church has become indigenized in its Indian setting and this should afford insights into local ethnic church development in North America.

We are offering you options for this tour: The main tour is for those who wish to participate in the complete tour, including the Sat Tal Christian Ashram, visits to legacy mission projects in North India, and India's Golden triangle of exceptional tourist sites. **However if you wish to only attend the Ashram or only go on the trip to South India or if your schedule does not permit participating in the full trip, our Travel Passion colleagues will personalize your itinerary.**

In a word, a great experience awaits you. You will probably never be quite the same again. We invite you to consider this opportunity and this spiritual adventure.

Jesus is Lord!

## Testimonials

**Barbara Hubbard, Virginia**

God- led and loved- filled were my past six days and five nights at the Sat Tal Christian Ashram! What an Amazing experience this first ashram of my life has been. The meals of delicious food prepared and served by such kind and thoughtful people, were opportunities for fellowship. The morning sessions and the evening chapel sessions were opportunities for learning, for greater understanding and for prayer. The one-day Christian Ashram, led by the UCA was Incredible!

Starting it off with the audio of Brother Stanley speaking was perfect, and every aspect of the Ashram that followed was informative and moving. The small groups, the healing service and the lovely communion service were very special. Even though I will leave tomorrow morning, the Sat Tal Christian Ashram, its Lovely people who work here, and its various programs will stay in my heart and in my prayers.

**Frank Hubbard**

I came on this United Christian Ashram tour to understand more about India and the Christian ashram concept that Brother E. Stanley Jones founded, I have heard much about the Sat Tal Ashram from Sister Anne Mathews Younes, (Bishop) Brother James, Sister Eunice Mathews and from needing books by these four brothers and sisters in God. I was blessed to grow my knowledge and faith through presentations and prayers. I was able to expand the definition of my neighbor (my brother and sisters

in the Kingdom of God) and learn new ways to serve them. Two quotes that will guide me most are:

1. Not to be served but to serve. 2. Not to bring the Kingdom of God but to be The Kingdom of God. I return to my normal routine trying to understand these percepts and to live them.

### **Susan Talley Washington D.C USA**

My stay at Sat Tal Ashram has offered me many blessings. My most cherished experience was having the opportunity to worship on fellowship with the many different Indians who joined our group at the Ashram. I am also grateful with the different Indians who joined our group at the Ashram. I am also grateful for the assistance and patience The Ashram Staff; they made the visit very comfortable and joyful. I also found the opportunity to renew myself spiritually. Best is all it gave me the chance to get to know the other members of our group. This was a special time for me for which I will always be thankful.

***Return home with your beautiful memories of The Incredible India!***
