

100-Year Anniversary of Books in Print by Dr. E. Stanley Jones

2025 will be the 100th year that the Methodist Publishing House (Abingdon Press) has kept at least one book by Dr. E. Stanley Jones in print.

The E. Stanley Jones Foundation will celebrate this important 100-year benchmark by setting a goal to have all the books written by my Grandfather updated and put back in print. We have eight short years to accomplish this task. Considerable progress has been made but there are still ten books whose re-printings need to be funded by the E. Stanley Jones Foundation. With your help we can meet this goal.

Will you please partner with me by making a gift to underwrite the cost of updating and reprinting one or more of the ten remaining books? The need for thought provoking, intelligent, spirit-filled answers to life's questions is real, and the need for Christ has never been greater.

Dedicate a Book

You can adopt a book(s) as a special tribute gift for anyone of your choosing--a parent, relative, or friend. We can dedicate the book to the person(s) you want to honor with this unique gift, and provide a special certificate(s) commemorating your dedication for gift-giving.

[Click here](#) to see a list of the ten books available. If you are interested in adopting one or more of the books, please let me know as soon as possible, as this opportunity is on a first come first reserve basis.
